TEACHER'S DASHBOARD

The screenshot displays the PBResultVault Teacher's Dashboard. A red box highlights the top navigation bar, which includes a search bar and a menu icon. Another red box highlights the user profile section on the left, showing the name 'Gospel Jonathan' and the role 'Teachers Admin'. A third red box highlights the 'Recent activities' section on the right, which lists events like 'New Class Added' and 'Student Enrollment'. A red arrow points from the 'Overview' section in the main content area to a label 'Overview' at the bottom. Another red arrow points from the 'Dashboard' label at the bottom to the left sidebar. The main content area features an 'Overview' card with statistics for 'Total Student' (6), 'Calendar', and 'Results' (0). Below this is a section titled 'OVERVIEW OF USERS' with a line graph. The right sidebar also includes a calendar for June 2024.

TEACHER'S PROFILE

The screenshot displays the PBResultVault Teachers Admin interface. The left sidebar contains navigation links: Overview (Dashboard, Profile), Class Management (Students, Results), and Settings (Settings, Update Password). The main content area shows the 'Overview of Teachers Profile' for Gospel Jonathan. A red box highlights the 'Profile' link in the sidebar, with a red arrow pointing to a 'Dashboard' label at the bottom. The profile details include:

- Firstname: Gospel
- Lastname: Jonathan
- Email: gospyjojo@gmail.com
- Gender: F
- Phone Number: 07030548630
- Class Teacher: SS2A
- Assigned Subjects: Mathemati cs, Englis h, Englis h, Chemist ry, Physi cs, Fine Arts, Agricultural Science

On the right, there is a 'Staff Id Card' section showing a preview of a staff ID card for the Hillside University of Science & Technology. Below the ID card is a 'Personal Details' form with fields for First Name and Last Name or Surname.

Dashboard

ADD STUDENT

The screenshot shows the PBResultVault web application. On the left sidebar, the 'Students' option under 'CLASS MANAGEMENT' is highlighted with a red box. A red arrow points from this box to a text box at the bottom left. In the main content area, the 'Overview of all Students' section has a '+ Add New Student' button highlighted with a red box. A red arrow points from this button to a text box at the bottom right. Below the button is a table of students.

RESULTS

The screenshot shows the PBResultVault dashboard interface. On the left is a sidebar with navigation links: Overview (Dashboard, Profile), Class Management (Students, Results), and Settings (Settings, Update Password). The main content area is titled 'Overview of student results' and contains a table with columns for Subject, Class, and Action. The table lists Biology, Chemistry, and French Language, all in SS1A class. The Action column for each row contains 'Add Student Result' and 'View Student Result' buttons. Annotations include: a red box around the 'View Result Broadsheet' button at the top right; a red arrow pointing from this button to a green box labeled 'Click here to View Result Broadsheet'; a red box around the 'Add Student Result' buttons, with a red arrow pointing to a green box labeled 'Click here to Add student's results'; and a red arrow pointing from the 'View Student Result' button to a green box labeled 'Click here to view student's result'. The URL at the bottom is https://ekteacher.pbresultvault.com/dashboard/results.

CHANGE PASSWORD

The screenshot shows the PBResultVault interface. On the left, a sidebar contains a menu with 'Update Password' highlighted. The main content area is titled 'Settings' and 'Update your password'. It contains three input fields: 'Enter Current Password' (with the email 'gospypojo@gmail.com'), 'New Password' (with masked characters), and 'Confirm New Password' (with the placeholder 'Password'). A red box highlights the entire form area. A red arrow points from the 'Update Password' button to a text box at the bottom right. Another red arrow points from the 'Update Password' button to a text box at the bottom center.
